*Family membership is a single family and the immediate members of that family.

**Couple membership is a married or together couple, and/or same family siblings of an appropriate age, where one is at least 14 and the other, no less than 12 that are both strong swimmers. Single parent families may join as a couple with one child and add the babysitter fee for the remainder of your children.

Refer a friend for membership to Hillside Aquatic Club

If a new family joins Hillside because of your referral, you will get a \$50 dollar discount towards your membership for the following year. If you referred a family last season list their name here: _____.

We ask that you please not take the \$50.00 discount in your payment until it is confirmed that the new family did indeed join Hillside as a new member the previous season. Contact our Membership coordinator if this applies:
